4. Correction is required because:

- ☐ the wrong "Date-In" was entered by the U.S.P.S. on the envelope delivered to the P.T.O., but the correct date was entered on Express Mail label.
- ☒ the wrong "Date-In" was entered by the U.S.P.S. on the original "Express Mail" label and on the envelope delivered to the P.T.O.
- ☐ Deposit of correspondence at an Express Mail drop box and wrong date entered by U.S.P.S.
- ☐ Other:

5. The following establish the showing required by 37 C.F.R. § 1.10(d)(3):

*NOTE: Evidence that came into being within one day after the deposit of the correspondence as "Express Mail" may be in the form of a log book which contains information such as the "Express Mail" number; the application number, attorney docket number or other such file identification number; the place, date and time of deposit; the time of the last scheduled pick-up for that date and place of deposit; the depositor's initials or signature; and the date and time of entry in the log. A notation in a log book, entered after deposit by the person who deposited the correspondence as "Express Mail" within one business day of such deposit, setting forth the items indicated above, would be deemed on petition to be an adequate showing of the date of deposit under 37 CFR 1.10(d)(3).*

*The reason the PTO considers correspondence to have been filed as of the date of deposit as "Express Mail" is that this date has been verified by a disinterested USPS employee, through the insertion of a "date-in," or other official USPS notation, on the "Express Mail" mailing label. Due to the questionable reliability of evidence from a party other than the USPS that did not come into being contemporaneously with the deposit of the correspondence with the USPS, 37 CFR 1.10(d) specifically requires that any petition under 37 CFR 1.10(d) be corroborated either by evidence from the USPS, or by evidence that came into being after deposit and within one business day after the deposit of the correspondence as "Express Mail."*

*A petition alleging that the USPS erred in entering the "date-in" will be denied if it is supported only by evidence (other than from the USPS) which was:*

- (1) created prior to the deposit of the correspondence as "Express Mail" with the USPS (e.g., an application transmittal cover letter, or a client letter prepared prior to the deposit of the correspondence); or*
- (2) created more than one business day after the deposit of the correspondence as "Express Mail" (e.g., an affidavit or declaration prepared more than one business day after the correspondence was deposited with the USPS as "Express Mail").*

*37 CFR 1.10(d)(3) further provides that a party must show that correspondence was deposited as "Express Mail" before the last scheduled pickup on the requested filing date in order to obtain a filing date as of that date.*

- ☐ Evidence from the U.S.P.S. as follows:
- ☒ Express Mail Log that Came into being within one business day of the deposit of the correspondence in the "Express Mail Post Office to Addressee" service of the U.S.P.S.
- ☐ Other:

6. The petition fee (37 C.F.R. § 1.17(h)-\$130.00) is paid as follows:

- ☒ Attached is a ☒ check ☐ money order in the amount of \$ 130.00
- ☐ Authorization is hereby made to charge the amount of \$ \_\_\_\_\_
- ☐ to Deposit Account No. 16-2563
- ☐ to Credit card as shown on the attached credit card information authorization form PTO-2038.
